Terms and Conditions

General

If You have purchased more than one Mobile Device on the same purchase receipt, then Your Product Care Mobile Plan (Your Plan) will only cover those Mobile Devices specifically described on Your Original Documents as being covered. Product Care Mobile is only available to purchase from Harvey Norman Ireland on the date of purchase of Your Mobile Device.

Term

The term of Your Plan will be clearly stated on Your Original Documents and is effective from the Purchase Date of Your Mobile Device.

For all mobile devices purchased with a purchase price over €95 the term of Your Plan may be:

- 1 year Accidental Damage Cover and 1 year Extended Warranty Cover as specified on Your Original Documents; or
- If the manufacturer's warranty is less than 12 months, then a period of twice the term of the manufacturer's warranty will apply for Your Plan. For example, if the manufacturer's warranty equals 3 months then the term of Your Product Care Mobile Plan equals 6 months.

In all cases, protection for Mobile Devices costing more than €95 is limited to 3 years, inclusive of any manufacturer's warranties provided.

What Is Covered Extended Warranty Cover

Your Plan covers the cost of parts and labour to repair Your Mobile Device in the event Your Mobile Device fails to properly operate due to:

- a) Mechanical or Electrical Failure;
- b) A defect in materials or workmanship;

If Your Mobile Device costs more than €95, We will protect You against these faults until the expiry date of Your Plan, or until Your Mobile Device is replaced with a new device of Our choosing.

The maximum amount payable by Us under Your Plan will be the Original Purchase Price of Your Mobile Device (inclusive of VAT).

If Your Mobile Device is repaired under Extended Warranty it may be repaired with new or Refurbished Stock.

Accidental Damage Cover

If Your Mobile Device is accidentally damaged during the first 12 months (excluding during the No Cover Period) following the Purchase Date of Your Mobile Device, We will, at Our discretion, repair or replace Your Mobile Device, subject to any applicable Administration Fee, No Cover Period, terms and conditions, exclusions and limitations of Your Product Care Mobile Plan. If Your Mobile Device is repaired it may be repaired with new or refurbished parts. If in Our view it is not possible or economical to repair Your Mobile Device then We will replace Your Mobile Device in accordance with the Replacement Terms below. Where only a part or parts of Your Mobile Device has been damaged, We will only pay for the repair or replacement of that particular part or parts.

You will be required to pay an applicable Administration Fee each time You make a claim under Accidental Damage Cover. The applicable Administration Fee is determined by the Original Purchase Price of Your Mobile Device:

- **If Your Mobile Device's Original Purchase Price is more than €500 You will be required to pay an Administration Fee of €100; or**
- **If Your Mobile Device's Original Purchase Price is €500 or less You will be required to pay an Administration Fee of €50; or**
- **If Your Mobile Device's Original Purchase Price is €200 or less You will be required to pay an Administration Fee of €25.**

Subject to the No Cover Period, Accidental Damage Cover commences on the date You purchase Your Product Care Mobile Plan.

You will not be able to claim further under Accidental Damage Cover when:

- (i) 12 months (save for the No Cover Period) have elapsed from the date You purchased Your Product Care Mobile Plan;
- (ii) You receive a Replacement Item where Your Mobile Device is replaced following a valid claim under Accidental Damage Cover (Note that if Your Mobile Device is replaced, this shall constitute fulfilment of this Plan and the faulty item will become Our property)
- (iii) You have made 2 valid claims for repair of Your Mobile Device under Accidental Damage Cover.

Your Cover under Accidental Damage and Your Product Care Mobile Plan will end if Your Mobile Device is replaced by Us with a Replacement Item. You should note that in such circumstances, the term of Your Plan concludes.

Your Cover under Accidental Damage will also end if We repair Your Mobile Device twice under Accidental Damage Cover. However, where Your Mobile Device is repaired, the Policy will not automatically come to an end and You may claim during the term of Your Plan subject to its terms and conditions.

Accidental Damage Cover is for hardware only. Accidental Damage cover does cover items such as chargers, docking stations, external speakers, externally-attached devices, components, cases or wiring classified by Us as ‘accessories’ or ‘consumables’ and not built in or on the base unit, such as mounting kits, memory disks or disk, disposable memory devices, sim cards, carrying cases or stylus pens, or any other parts/components requiring regular maintenance.

No Cover Period

We will not cover You under Accidental Damage Cover for the first 14 days from the date You purchase Your Plan. If Your Mobile Device suffers Accidental Damage during the No Cover Period, this is considered to be a Pre-existing Condition and renders the Mobile Device ineligible for cover under Accidental Damage Cover.

Any applicable No Cover Period should not affect Your coverage under a manufacturer’s warranty.

If, during the No Cover Period, Accidental Damage renders the Mobile Device ineligible for the cover under Accidental Damage Cover, We will cancel Your Plan and provide You with a full refund of the Product Care Mobile Plan You have paid.

Replacement Terms

If Your Mobile Device costs more than €95 and it is not economical for Us to repair Your Mobile Device at Our sole discretion, We may replace Your Mobile Device with a new device that is its nearest equivalent. We may, at Our sole discretion, replace Your Mobile Device with Refurbished Stock. In the event that We replace Your Mobile Device, We will take into account features, quality and specifications of the original item as well as availability of the technology.

The value of the replacement device shall not exceed the Original Purchase Price You paid for Your Mobile Device. Due to changes in product technology and availability, the replacement device We supply may have a lower selling price and is not limited to the original manufacturer brand of Your original Mobile Device. Replacement price differences, if any, will not be refunded.

If We cannot repair Your Mobile Device or offer a suitable replacement, We may arrange for You a store credit for use with the Retailer or cash settlement. The value of any store credit or cash settlement that We arrange for You will not exceed the Original Purchase Price of Your Mobile Device. The decision to repair, replace, offer a store credit or cash settlement is always at Our sole discretion.

If Your Mobile Device is replaced, a store credit is given or a cash settlement is made, this shall constitute fulfilment of this Plan and the faulty item will become Our property.

Availability Of Service

We always try to complete repairs in the shortest amount of time possible, however, We are not responsible for delays caused by factors beyond Our control such as manufacturer delays in supplying parts.
